## PIV Credential Identity Verification Matrix

All identity source documents shall be bound to the applicant and shall be neither expired or cancelled. PIV and Non-PIV credentials require two forms of identification, one primary and one secondary. The secondary identity source document may be from the primary or secondary list, but if from the primary list it cannot be of the same type as the primary identity source document example. Flash Badges may be issued following review of a single primary or secondary identity document including applicant photograph. [FIPS 201-2](#)
